Work Experience

Enter Martial Arts: Coach/Social Media Content Manager (2023 - Present)

Since April of 2023 I have been working at Enter Martial Arts teaching Wushu and managing the school's social media presence. This includes creating and managing posts on our Instagram page, as well as acting as an internal producer for our digital classes posted to Youtube.

- Create and manage social media content on school's Instagram page.
- Teach classes for beginner to advanced Chinese Martial Arts (Wushu).
- Create digital content for our school's Youtube page.

Blindlight Studios - Session Coordinator (2022 - Present)

In 2022 I started working freelance at Blindlight Studios as a Session Coordinator.

- Take notes on viable takes during audio recording sessions.
- Ensure all parties arrive to sessions on time.
- Communicate with higher ups during recording sessions for updates and problem solving when necessary.

Resin Ape LLC: Creator/Producer (2021 - Present)

In 2021 I created an LLC to serve as my production entity for short films with the goal of establishing myself as a content creator for hire. Since then we have shot three short films, each receiving selections and acclaim from a variety of film festivals.

- "You Have A Visitor" - Shot in 2021 as a proof of concept short film for a television pitch attached to the Resin Ape LLC. It recieved two awards from the Los Angeles Film Awards for best horror, and best cinematography.
- "Connie" - A short horror/comedy that is currently in the festival circuit. Shot in 2022.
- "Self Improvement" - A horror short that is also currently in the festival circuit. "Self Improvement" has won an award for best horror at the IFS Film Festival.

MWM Universe - Creative Assistant (2019 - 2020)

At MWM Universe I worked as a Creative Assistant. Under the Executive VP of Content, I assisted Universe in the development of multiple intellectual properties, scouted for potential franchise opportunities, and performed necessary daily office admin tasks. I was also a Creative Development Intern from 2018-2019.

- Contributed notes for meetings and creative documents regarding the development of characters, world rules, and plot points for intellectual properties under MWM Universe.
- Assisted the Universe Division's Head of Production with scheduling, logistics, and accounting during the development and build of the [Nevermore Park Installation](#) in Chicago.
- Performed general office administration duties.

Newport Beach Film Festival - Intern (2017 - 2018)

At the Newport Beach Film Festival my primary tasks included reviewing all film submissions throughout the year, creating graphics for submission advertisements, and ushering the film festival itself.

- Reviewed submissions.
- Created graphics for festival submission advertisements.
- On site ushering during festival events.
